Dear Mikhail Afanasev,

Congratulations! On behalf of the International Society of Automation (ISA), I am happy to inform you that you have been chosen as one of the award recipients of the ISA Education Foundation Scholarship Award. An ISA scholarship award in the amount of USD 2,000 will be mailed in the form of a check or deposited into your account for tuition and related educational expenses for the 2020-2021 academic year.

ISA sets the standard for automation globally by certifying industry professionals; providing education and training; publishing books and technical articles; hosting conferences and exhibitions for automation professionals; and developing standards for industry. The Society is proud to support your educational efforts in an area relating to this mission. You were awarded this scholarship because you show outstanding potential for contributions to the field.

Once again, congratulations and good luck in your future education and career. ISA is interested in your success and progress; please keep us informed. We hope that when you begin your professional career that you will consider ISA as your professional society.

Sincerely,
